PV4NO, PV5NO, PV6NO, PV7NO, PV8NO

Izjava / Declaration:

Preskusni vzorci, ki predstavljajo zgoraj navedene tipe proizvoda so bili preskušani in pregledani na željo naročnika. Preskus je bil izveden v skladu s standardom EN 161 (točka 7.2, 7.12 in 7.15).
Test samples that represent the above-mentioned types of product have been tested and examined the client's wishes. The test was carried out in accordance with EN 161 (paragraph 7.2, 7.12 and 7.15).

Poročilo št.: Test report No.: 1666/LT-17

Datum / Date : 24 May, 2017

Zaključek / Conclusion:

Ugotovljeno je bilo, da preskusni vzorci izpolnjujejo tehnične zahteve zgoraj navedenega standarda.
It was found that the test samples meet the technical requirements of the above standard.
